

GOD IS GREATER THAN MAN

FAMILY CAMP at Silver Bay, June 28 – July 4, 2009

“For God is greater than man.” Job 33:12b

Camp will run from Sunday dinner through Saturday lunch. Various price options are available based on your housing choice: rooms in the Inn with a private bath, rooms in the Inn with a shared central bath down the hall, or rooms in Hepbron (a bit more rustic) with a shared bath. Children, ages 4 -17, must stay in the same building with their parent or guardian. Teenaged children can stay in a shared bath on the Inn’s 3rd floor, as long as their parent or guardian is housed in the Inn. Prices listed below are per person and assume double occupancy.

Camp is called “Family Camp” because it is designed for the family of God. It is not just for families, however. EVERYONE is invited – children, teens, young adults, single adults, married couples, families, and senior citizens. The activities are constructed in a way that is sensitive to the needs of all. MORNING WATCH starts off the day as campers join together in prayer. The highlight of each day is THE WORD SPEAKS, when a simple yet profound teaching of God’s Word is presented. DEVOTION WITH MOTION and EXPRESSIVE HEARTS provide unique ways to express our adoration to God. LAKESIDE SING is an evening quiet time when campers sing praises together to God. During NIGHT LIFE after the evening teaching, we will enjoy special activities such as a campfire, praise night, sweet fellowship, and more. Also, at NIGHT WATCH, campers can close out the day together in prayer. CHILDREN’S FELLOWSHIP is a program full of activities designed for those five to twelve and is held during adult fellowship time. Silver Bay offers a morning program for children four and younger from 8:30 – 11:30 a.m., Monday through Friday. There is an additional charge of \$34 per child for this activity, and pre-registration is required. If you have children this age, you will receive a medical form and application. These **FORMS MUST BE FILLED OUT AND RETURNED** to Living Hope two weeks prior to camp. Registration for this program is limited, and enrollment is on a first come first served basis.

Many campers have expressed a desire to help serve at camp or share their talents. If you would be blessed to help out at camp this year, please indicate your desire in the space provided. Housing and acceptance are at the discretion of the registrar. Housing will be assigned by availability and on a first come basis. Confirmation and directions will be sent after the **registration deadline of June 1st, 2009**. Please return application and payment to: Living Hope International Ministries, 458 Old Niskayuna Road, Latham, NY 12110. A \$100 deposit per person will hold your reservation, with full payment due by the June 1st registration deadline.
